SmartGlid™ By ORION

Introducing SmartGlid™, **ORION**'s exclusive wireless motor!

BEST OF BOTH WORLDS

SmartGlid™ is compatible with Somfy's Glydea track at a more competitive price point than other motor options. Traverses up to 132 lbs. in any opening, any header style, any rail shape with manual override and touch motion. Tracks available in 5 colors - white, antique bronze, gold, silver and black.

SMARTHOME INTERGRATION

SmartGlid™ seamlessly connects with major smart home platforms including Google Home and Amazon Alexa.

SIMPLE SETUP

Download SmartGlid™'s "Tuya APP" and you are ready to go.

APP & REMOTE CONTROL

SmartGlid™ has built in wifi and a single or five channel remote control allowing clients to choose the most convenient method. Includes 9 foot cord to plug into standard outlet.

FINISHING TOUCH

Iron Art, Wood Art and Design Art fascia by Orion add the finishing touch! Orion designs, fabricates and hand-finishes all of our motorized traversing systems.
